The partners commit to amend the table above in case of changes in the mobility data by no later than the end of January in the preceding academic year.

Further requirements and information about this agreement are included in two "Institutional data sheets", one for each of the institutions. These two documents are enclosed as two annexes and are an integral and necessary part of this Agreement. Both institutions agree to send an update of these Institutional fact sheets to the other party if significant changes occur.

This Agreement is valid for the duration indicated above and may be updated or terminated by mutual agreement. In the event of unilateral termination, a notice of at least one academic year should be given. Neither the European Commission nor the National Agencies can be held responsible in case of a conflict.
